*"No Words for Wendel"  
is a story of determination,  
bravery and unexpected  
friendship.*

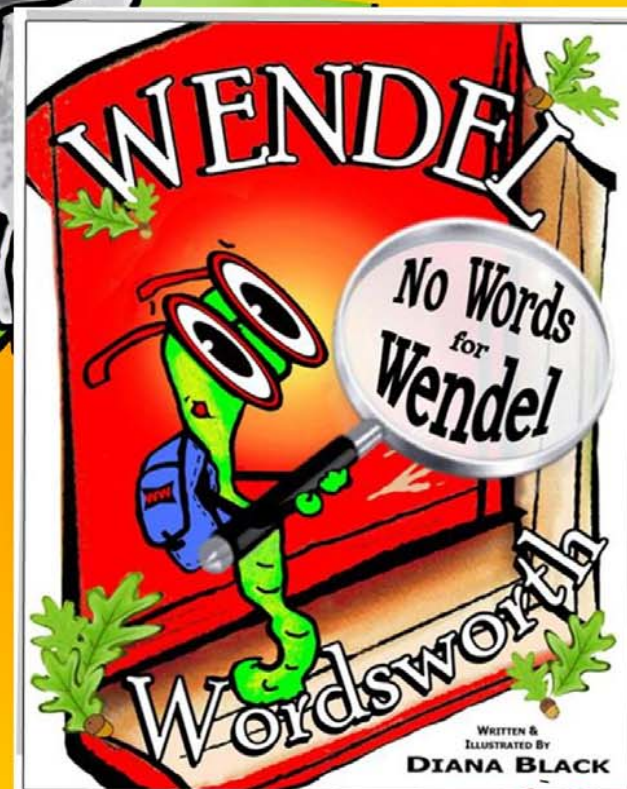

Wendel Wordsworth loves books.  
When he discovers their mysterious  
disappearance from all the  
bookshelves in town, he sets out to get  
to the bottom -- or top -- of the cause.

Single-handedly he solves the mystery  
and helps the "thief" accept  
responsibility for his selfish actions.  
In doing so, Wendel finds forgiveness  
in his heart *and* a new friend.

Pre-K — 2

## Author Program

The author reads (with flair!)  
“No Words for Wendel”  
encouraging student participation.

Afterward, lively interactive discussion is held on topics ranging from libraries and eyeglasses to the “smelly sock” comment Wendel makes in the book!

Then it’s time for Wendel’s sing-along song about nouns and verbs.

Time permitting, Q&A is held on writing & becoming an author/illustrator.

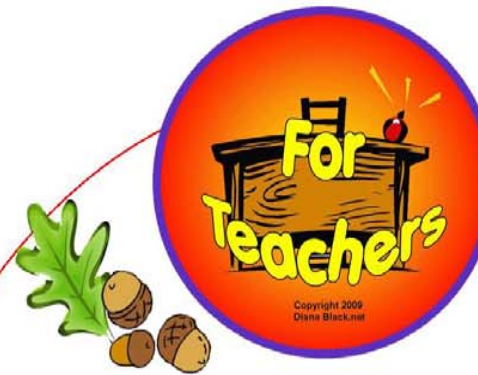

Each student receives a Wendel Wordsworth bookmark.

Time: Approx. 35 min.

Mileage charged for driving distances 50 miles and over.

## Teacher Information

The author, Diana Black, a reluctant reader as a child, understands firsthand the importance of instilling a love of words and reading in young children.

In collaboration with a 33-year veteran educator, lesson plans, curriculum skill sheets and activities reinforce learning opportunities created by Wendel’s and Big Buzz’s adventure.
