“Endearing illustrations and a charming story will keep kids (and adults) engaged in *No Words for Wendel*. Wendel Wordsworth, the brave and adorable book worm, will hold the attention of even the most reluctant reader. The perfect read-along!”  
 —Mary Cunningham, author, *Cynthia’s Attic* Series

**A Word from the Author:**  
**"No Words for Wendel" is a story of determination, bravery and unexpected friendship.**

Wendel Wordsworth loves books. When he discovers their mysterious disappearance from all the bookshelves in town, he sets out to get to the bottom -- or top -- of the cause. Single-handedly he solves the mystery and helps the "thief" accept responsibility for his selfish actions. In doing so, Wendel finds forgiveness in his heart and a new friend.
